The consideration for this sale shall be the sum of _____ plus the following conditions:

This puppy is guaranteed to be a PET quality, healthy, active puppy when sold to the owner. You have 72 hours to have this puppy examined by a licensed vet and if for any reason this puppy is unacceptable, buyer may return the puppy for a full refund, provided it is in the same condition as at the time of purchase. A written statement from the veterinarian must accompany the puppy. This includes death or illness from any health condition deemed present prior to removal from seller's premises. The above puppy will be given adequate and proper care throughout his lifetime and all inoculations maintained to ensure preventative health care.

IT IS AGREED THAT YOU WILL USE THE KENNEL NAME CHIEN D'OR AT THE BEGINNING OF THE DOG'S NAME.

Puppy is not to become obese, allowed to run up and down numerous flights of stairs, allowed to be on slippery surfaces for long periods, and should not be jogged or run for extended lengths of time while growing as this can cause hip dysplasia. The puppy should be given adequate and proper shade, proper housing, and properly and sufficiently fed.

THIS DOG SHALL NOT BE NEGLECTED IN ANY MANNER AND IN NO MANNER MISTREATED. If seller becomes aware of any of the above conditions of neglect, it remains the right of the seller to reclaim the dog and issue no refund of monies.

THE BUYER GUARANTEES SELLER RIGHT OF FIRST REFUSAL IF THE ANIMAL IS TO BE SOLD OR DISPOSED OF IN ANY WAY AT NO MORE MONEY THAN THE ORIGINAL SELLING PRICE. THIS MUST BE ADHERED TO OR COURT ACTION WILL BE TAKEN AND OWNER WILL BE FINED \$5000.00 (five thousand dollars).

Reasonable precautions have been taken to prevent this puppy from acquiring hereditary faults. If the puppy becomes an UNFIT pet because of an hereditary problem during the first 26 months, seller agrees to replace the puppy with one of equal value, refund the purchase price or, in the event the buyer wishes to keep the puppy, will refund one half of the purchase price only if the buyer provides the seller with the following:

1. X-rays for submission to Michigan State for expert opinion
2. Proof of any hereditary defects, subject to opinion from MSU
3. Proof of spaying or neutering by a qualified veterinarian
4. No surgery on any problem is done without first consulting breeder
5. Unless the expense of surgery is required, and the dog is kept, no refund
6. In the event of death, an autopsy must be performed.

It is agreed that this dog will not be used for breeding purposes prior to 24 months of age. Prior to breeding, it must have documented clearances on hips, elbows, eyes and heart on both the stud and female to be bred. If this is not adhered to, this guarantee becomes null and void.

The buyer has read and understands the foregoing and agrees that all parts and portions therefore constitute a binding agreement.
