STUD AGREEMENT

It is agreed that the stud fee will be \$_____ or one pick of the litter puppy for the stud owner and will be the choice of the stud owner . There will be a non-refundable deposit of \$100.00 which will be applied toward the stud fee. The stud fee will be \$100.00 a puppy, in addition to the above \$100.00, with a maximum of the above amount. It remains the right of the stud owner to take pick of the litter even though a prior fee or arrangement has been made.

If death of the puppies occurs due to neglect by the owner of the bitch or delivery of the puppies, there will be no refund of money or a repeat breeding

The female must be in good health and must not be overweight at the time of breeding as this may make it more difficult for the dog to conceive and deliver the pups.

The owner agrees to have any necessary testing done that is required by the stud dog owner.
